Annual Vision Discernment Worksheet for Your Child

1. Begin with Surrender

Prayer: Father, help me see my child as You see them. Guard me from projecting my own dreams.
What is true about them right now?

2. Discern the Formation Theme

Holy Spirit, what is Your invitation over this child this year?

Annual Word / Theme: (ie, Courage, Faithfulness…)

3. Write the Vision Statement (Identity → Direction → Prayer)

(IE, sample-I believe God is forming deeper confidence in who you are. My prayer is that you would grow in steady courage, take small risks, and trust His voice. I will support you by encouraging independence and celebrating effort over outcome.)

4. Supporting Practices (Formation in Action)

What 2–3 practices will support this formation theme?
What is my support role?

Reminder: You are not the architect of their destiny. You are the steward of their formation.
